Santel is an equal opportunity provider and employer.

Important Notice About Your Account

Federal law allows us to use information from your account to market and advise you of new products and services that may improve your communications services. You do, however, have the right to request that we don't do so.

What information would we use?

The information is called Customer Proprietary Network Information (CPNI) and it relates specifically to the telecommunication services you purchase from Santel.

How might we use this information?

The information can be used to advise you of new, innovative services or technologies offered by Santel. We will NOT ever sell this information. It is only shared with E911 responders if you have a landline phone, or if otherwise required by law enforcement.

Who will be able to use this information?

Only Santel or our subsidiary company, Tech Solutions, or a contractor working on our behalf, will have access to this information. We have a duty under federal law to protect the confidentiality of your data regardless of whether you consent to our marketing campaigns or not.

What action is necessary on a customer's part to show consent?

No action is required of customers at all, provided you are good with receiving our occasional notifications of new products or services. If you wish to NOT receive any targeted marketing materials, you may miss out on special offers or opportunities to improve your communications services. To opt out of marketing materials, please watch for the CPNI Opt Out information that will be included with your bill in early 2022. You may call our office at 605-796-4411 if you have any questions about your account security.

Santel has joined in the Hallmark Channel Deck the Halls Holiday Sweepstakes. As a Santel Digital TV subscriber, you can enter for your chance at \$2500.

No purchase necessary at deckthehalls.hallmarkchannel.com

SANTA SUGGESTS SANTEL GIFT PAYMENTS

Looking for a practical gift idea that practically anyone will appreciate? Make a gift payment to the person’s Santel account.

Here’s how it works: Call us at 605-796-4411 or stop by our office at 308 S. Dumont Ave. to make the gift payment in any amount of \$10 or more. The money will be applied to the recipient’s Santel account, either in a one-time lump sum or spread out over the coming year to reduce their monthly payment amount.

You’ll receive a festive printed card with the dollar amount of your gift payment written on it, along with an envelope, to give to the lucky friend or family member.

Effective January 1, 2022, Santel Digital TV prices will be adjusted as needed to cover programming costs. Most customers will see an increase of \$4 per month. HBO customers will see a decrease of \$1.50 for that package. To see how your specific package will change, please see the notice on your December bill.

All content on local channels is subject to change.

Our guide is updated with the latest information provided.

NBC will be shutting down NBC Sports as of December 31, 2021. As a result, Santel Channel 41 will be discontinued as of that date.

The DIY Network, Santel Channel 120, will become the Magnolia Network as of January 5, 2022.
