GO FROM MAILBOX TO INBOX WITH **PAPERLESS BILLING**

CHOOSE PAPERLESS BILLING AND GET ENTERED INTO A DRAWING FOR THE BISON 12-CAN SOFTSIDE COOLER.

Now's the time to switch to Santel Communication's paperless billing, which means you'll receive your statements via email rather than "snail mail."

With paperless billing, you'll have one less bill in your mailbox each month and less clutter on your kitchen counter. Plus, you'll help us use less paper, save some trees and have a chance to win a cooler for the summer. (Cooler is a \$149 value.)

CALL 605-796-4411 NOW TO SIGN UP

You'll get registered for the cooler drawing.*

Comerstone Group © 2022

*Must sign up by June 30, 2022 to get a chance to win the cooler.

Mark Robinson was the winner of the tech Easter basket. Thanks to all who entered.

10-digit dialing required as of June 21, 2022

Because the FCC has approved 988 as a three-digit abbreviated dialing code to reach the National Suicide Prevention Lifeline, it was necessary for South Dakota to implement 10-digit dialing.

This means that every single call you make will need to be dialed as area code + telephone number, including local calls within your same community. To make a long distance call, dial 1+ area code.

Effective June 21, 2022, any calls made by Santel customers using just seven digits will not be completed and an intercept message will be received. When you get this message, you must hang up and dial correctly.

For customers utilizing Santel's speed dial features, we have already updated your saved numbers to be 10-digits. However, anywhere else that you have saved numbers, those will also need to be updated.

Examples of saved numbers that MUST be updated to 10 digits:

- Any medical alert devices such as LifeAlert
- Any security or alarm systems
- PBX systems
- Fax machines
- Mobile phone contact lists
- Call forwarding settings

Beginning July 16, 2022, the short dial code of 988 will route to the National Suicide Prevention Lifeline.
