## CALLING ALL COYOTE FANS...

Through a partnership between USD Athletics and the 13 South Dakota telcos who operate TV services with SDN Communications...we are proud to announce the new GoYotes TV Channel.

Joe Thuente of USD says "This is a great chance to shine a spotlight on not just our athletics department, but this great university and our awesome community of Vermillion." The combined service territory of the SD telcos will cover more than 80% of the state's geography.

You can look for a variety of sporting events that currently are not being broadcast as well as classic USD games, coaches' shows, podcasts, documentaries and more. In addition to sports, future plans for this channel include student concerts, live theater performances, and the Coyote News—a student-run weekly news broadcast.

You can find the GoYotes TV Channel on Santel Channel 162.

## **Santel Digital TV to Discontinue Pay Per View / Video on Demand**

Effective May 1, 2023, Santel Digital TV will no longer be offering any Pay Per View or Video on Demand movies and events. There has been very low usage of these features for the past few years and it is no longer cost-effective to continue these services.

With the ever increasing options for online content, we feel confident that our TV viewers will be able to access on-demand content when they want it. Another alternative would be to add Cinemax, Starz/Encore, HBO or Showtime. You can call 605-796-4411 to subscribe.
