Restart TV

This popular feature lets you go back to the beginning of any currently airing program that has the Restart Option. Devices will vary on utilizing this feature. Santel recommends the Amazon Fire TV 4K, Apple TV or the Roku devices. See your specific device for instructions.

There may be programs that don't allow for the Restart function due to programmer restrictions.

Watching In - Progress Recordings

If you would like to watch an in-progress recording from the beginning, for the best experience use the Restart feature.

watchTVeverywhere

As a subscriber to Santel Smart Stream, you have free access to watchTVeverywhere (WTVE), which streams many of your favorite channels and programming – including live TV and full episodes of current TV shows – to your tablet, smartphone, laptop, or PC. WTVE works from anywhere you have an internet connection. To see what's available, refer to our channel lineup or visit www.WTVE.net.

Smart Home Recording

Record, Manage and View programs and series with Santel Smart Stream. You can watch recorded shows on any connected TV or device and schedule and delete recordings from these devices. You can also record a series to ensure you never miss an episode and pause and rewind live TV.

Local School Channels

You'll be a fan of our Local School Channels! They allow you watch SD State Tournaments, DWU Tigers, USD Coyotes, and SDSU Jackrabbits athletics.
